

ABOUT THE AUTHORS ...

AADI SWADIPTO MONDAL

*He is enrolled in 4 year B.Tech under The Department of Computer Science and Engineering. He is currently a sophomore at IIT Kharagpur. He is also a member of Ariel Robotics Kharagpur(ARK). He has secured a **SGPA of 10** in Physics Semester and has achieved a **department change** from Instrumentation Engineering to **Computer Science and Engineering**. His mantra of success was rigorous solving of past year papers.*

ANIRUDDHA CHATTOPADHYAY

*He is enrolled in 5 year integrated Dual Degree Course under the Department of Industrial and Systems Engineering with Quality Engineering and Design management(Industrial Electronics) as his discipline. He is currently a sophomore at IIT Kharagpur and an **Executive Member** of The **Institute Wellness Group (IWG)**. With solicitousness in a moment of alacrity, he co-founded the idea of creating the first of its kind Previous Year Solution Book for the first Year students of IIT Kharagpur. He has also achieved a **Department Change**, his former discipline being Applied Geology.*

KANISHKA HALDER

*He is enrolled in 5 year integrated Dual Degree Course under the Department of Electronics and Communication Engineering. He is currently a sophomore at IIT Kharagpur and an **Executive Member** of The **Institute Wellness Group (IWG)**. His well-meant animus and unquenchable thirst for academic empowerment was a cardinal factor behind the foundation of this book. He fervently believes that "Education is the most powerful weapon which you can use to change the World."*

PARTH SARATHI ROY

*He is enrolled in 5 year integrated Dual Degree Course under the Department of Geology and Geo-physics with Applied Geology as his discipline. He is currently a sophomore at IIT Kharagpur and an **Executive Member** of The **Institute Wellness Group (IWG)**. It was owing to his blood, sweat, tear and sheer dedication towards the cause of the Book that resulted into the Book as it currently is. He is one of the driving forces behind the completion of the Book overcoming unsurmountable odds.*
